

## EVENTA

### Post your events

- Select your event point
- Fill the title and the overview the event

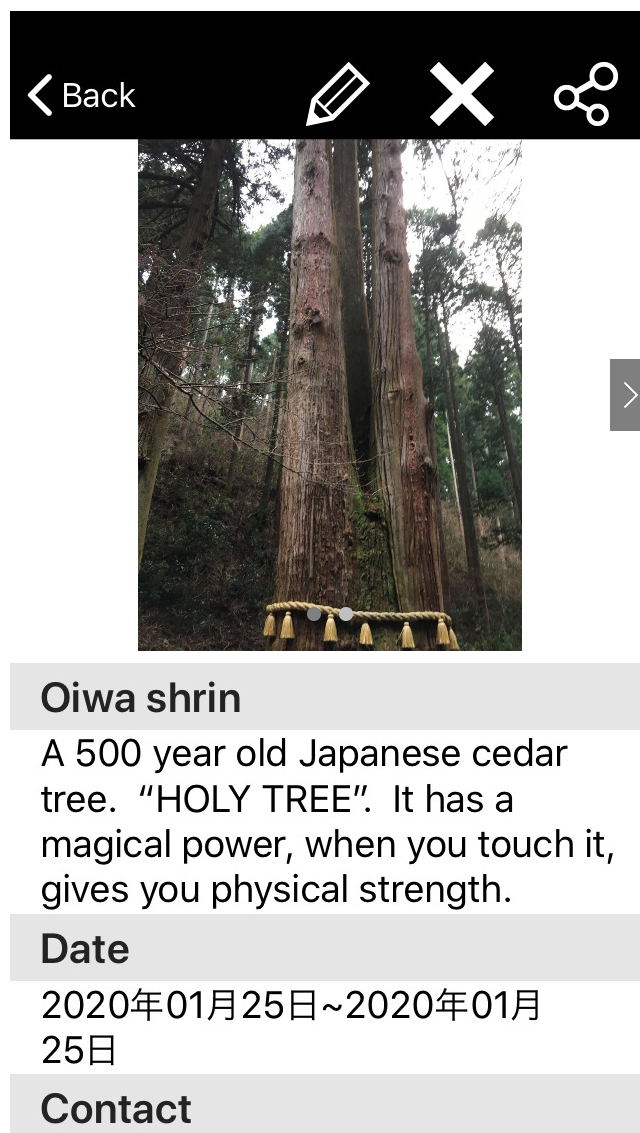

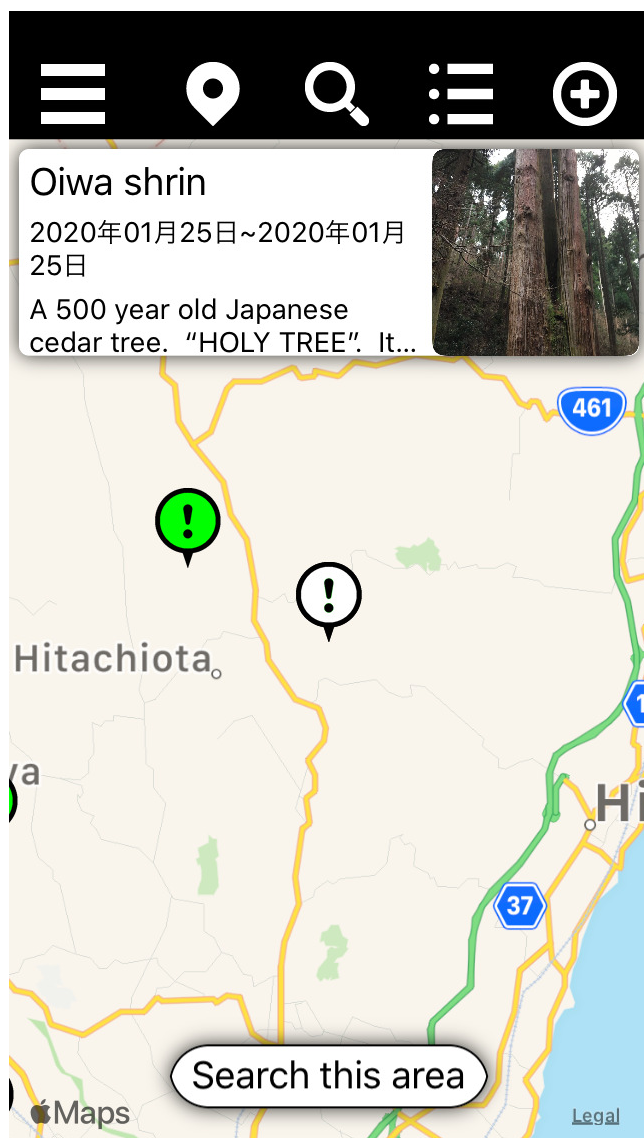

The screenshot shows the EVENTA mobile app interface for posting an event. On the left, a map displays a location in Hitachiota, with a green pin and a 'Create Event Here' button. A 'Search this area' button is at the bottom of the map. The right side features a form with the following fields:

- Title:** Oiwa shrin
- Description:** A 500 year old Japanese cedar tree. "HOLY TREE". It has a magical power, when you touch it, gives you physical strength.
- Start:** 1/25/2020
- End:** 1/25/2020
- URL:** <http://www.oiwajinja.jp/>
- TEL:** (empty field)

Below the form is a blue link 'Attach images' and a photo of a large cedar tree trunk.

- The event will be on the map just after sending it

- It is free under the following conditions

The number of posting event: You can post only 1 event

The number of saving events: You can save two events

Event date: Events within 15 days from the registration date
